We are challenging you to visit five
Green Bay Parks this winter!

Chill Chaser

January-March 2019

How it works:

There are 20 parks around Green Bay with a symbol hanging in the window of the shelter located at the park. When you visit the park, draw the park's symbol into the chart provided on page 6. Once you have visited at least five parks, bring the chart to Green Bay City Hall, Room 510, to receive a prize and be entered into an awesome drawing! Check out which bus lines you can take to get to different parks!

To find out what activities each park has to offer, check out our website: www.greenbaywi.gov/parks.
